

TechNova AI - Customer Support and Refund Policy

Customer Support

TechNova AI provides customer support Monday through Friday from 9:00 AM to 6:00 PM Central Time.

Premium customers receive 24/7 customer support.

Customers can contact the support team for assistance with NovaAssist, NovaSearch, and NovaVision.

Refund Policy

Customers can request a refund within 30 days of purchase.

All refund requests must include the customer's order number.

Refund requests submitted after 30 days may not be eligible for a refund.

TechNova AI - Security and Data Protection

Data Security

TechNova AI protects customer information using security measures designed to safeguard sensitive data.

Customer data is encrypted both in transit and at rest.

Passwords are hashed and are never stored as plain text.

Infrastructure

TechNova AI uses cloud infrastructure to operate its services.

The company's technology stack includes Python, FastAPI, PostgreSQL, Docker, and Kubernetes.

Its AI systems use vector search and large language models for semantic search and question answering.
